Subject: Request for Testing of Autonomous Underwater Vehicle(AUV) in Swimming Pool during Summers

Respected Sir,

We are a team of undergraduates working to build the institute's first Autonomous Underwater Vehicle. We are participating in SAVe (Students Autonomous Underwater Vehicle) organised by NIOT, Chennai. The competition will be held in October 2016.

We need to test our vehicle during summers from May to July, thrice in a week. Please allow us to use the swimming pool from 9:00 pm to 12:00 am during these months. We are ready to pay the required 3 staff members for their overtime as per the institute norms.

Kindly, please consider our request and allow us to use the swimming pool.

Thank You
Yours Sincerely
Jayant Agrawal
